It was the auspicious day of 15 August 2022. The day was blessed with pleasant weather and clear sky. People in large numbers attended the Independence Day celebration at the Sumant Moolgaokar stadium. Students from reputed schools took part in the Independence Day marchpast competition. The hardworking students had been honing their marching skills for a fortnight before the event. The event was honored by the presence of the chief guest Jay Kishan the managing Director of Tata Motors. The event started with the march past competition. Everyone among the audience was energized by the rhythmic coordination of the participants as their rigorous efforts bore fruit. The gorgeous tricolour was hoisted by the chief guest as everyone stood in rapt attention and sang the National anthem. Singing the National anthem always gives goosebumps and numbs my eyes. The chief guest gave a speech which was directed towards the students. He wanted them to be thinkers, problem solvers or as he said, "World movers and shakers". There is a scope for creativity and innovation in every work field. Little flower School won the Inter school marchpast competition Followed closely by Hilltop School and Gulmohar High school. The event successfully concluded filling every single present there with nationalism and patriotism.
